One of the most useful household articles we have ever seen is the iron broom holder. Its cost is saved many times in the saving of wear and breakage of brooms. Jo. Nichols sells them at ten cents.

Good beans at 3 cts per lb. sauer kraut at 15 cents per gallon, and potatoes, onions and cabbage till you can't rest at J. H. Markey's. Having a conscience he delights to give you full weights and full measure pressed down.

On account of the inclement weather the sale of Hamilton & Son, advertised for Feb. 10th, did not take place. The sale is again set for Feb. 19th and will take place rain or shine.

Frank Barker, who was arrested last week for shooting Joseph Findling, had a preliminary trial before Justice Harris, Monday, and was discharged. The evidence brought out the fact that Barker was more sinned against than sinning and that the shot was in self-defense.

We acknowledge the receipt of a couple of pounds of the choicest butter presented by Mrs. I. H. Pidgeon, as a gentle rebuke for the slander of last week, when we stated that, from the color of the butter brought to market, none but white cows were giving milk. The butter was a beautiful golden color, of the finest flavor and evidence that it was made by one thoroughly skilled in that rare accomplishment—the art of butter making. Thanks.

I have been more and more convinced, the more I think of it, that, in general, pride is at the bottom of all great mistakes. All the other passions do occasional good; but, whenever pride puts in its word, everything goes wrong; and what might really be desirable to do, quietly and innocently, it is mortally dangerous to do proudly.—Ruskin.

George Scott, a negro, living in the vicinity of Hunnewell, and a white lady named Miss Jones, ran away one day last week for the purpose of getting married. They went to Quincy where the negro was arrested and the young lady sent back home. We never did believe much in the old maid theory, but when it comes to a white girl marrying a negro, blacker than the inside of seven tar barrels at that, then, brethren we like the old maid theory pretty well.—Shelby Herald.
